EXT. GRASS AREA ALONGSIDE A CHURCH - DAY

A Minister is standing under a lattice arch with a nervous groom in a bad tuxedo.

MINISTER
Gathered friends and families, we have word that the bride is running a little late.

GROOM
Twenty minutes...

MINISTER
Young man, you've waited this long for love, a few minutes more won't matter.

GROOM
She forgot me at a rest stop. Twice

MINISTER
A Forgetfulness or temperamental bride will keep life interesting.

GROOM
My Mother refused to come.

MINISTER
A Mothers love is special and mysterious.

We hear a car screech.

GROOM
Pinky promise!

WOMAN (O.S.)
Am I too late?

MINISTER
See I told you it would be fine. Ladies and gentlemen it's time.

WOMAN(O.S.)
Coming through, coming through.

A woman rushes up the isle to the groom dressed as a ballerina.

MINISTER
Well she is colorful, lots of personality there.

GROOM
A ballerina?

MINISTER
Kid, it’s the camo wedding dresses that are worrisome.

WOMAN
Sorry I’m late.

MINISTER
Everyone love is worth waiting for.

WOMAN
Hi everyone! What a lovely turnout and hap happy crowd.

GROOM
Who the hell are you lady?

WOMAN
I’m your singing telegram, but I will also dance as a bonus treat.

The groom shakes his head.

MINISTER
I’ll still need to get paid.

WOMAN
We are hiring. Can you sing?

The groom throws up his hands.

GROOM
I made her pinky promise...

WOMAN
Sorry to rush sweet people, but I gotta start, I have a schedule of joy to keep. A One, Two, Three:

SONG
White Castle is not a restaurant
You’re a plastic silverware savant
There’s no trashcan in your bathroom
Dishes in your sink are sprouting shrooms
Will not breath heavy for your ringtone ring.
My hips are not childbearing hottie things

(MORE)

SONG (CONT'D)
You cannot ever, ever suck my teeth
My ass is not Pixar mom elite

WOMAN
I’m never ever, gonna marry you.
I’m never ever, gonna marry you.

WOMAN (CONT'D)
Lets dance Father!

The Wedding sings dances with the Minister as she sings.

And I found your book, orgies for
and don’ts, orgies dos and Don’ts!
Orgies dos and Don’ts!
Your O face gods vengeance wrath
I will not give you adult baby
baths
I will not talk fetishes not at all
A room full of raggedy Andy dolls?
I am not going to return your
diamond ring
I’m gonna hawk it and buy a rabbit!
If you know you know!
I’m never ever, gonna marry you.
I’m never ever, gonna marry you.

WOMAN (CONT'D)
Lovely steps Father Minister.
Tootaloos everyone have a great
day!

The woman pirouettes down the isle.

MINISTER
Do you still have that orgies book?
